Guidance on the use of the North West Police Benevolent Fund lodges for Convalescence/Respite reasons

All applications for convalescence/respite breaks are at the discretion of the Trustees

All applications must be supported by a medical form signed by a Medical Practitioner

Only one convalescence/respite break will be allowed within a two year period except in cases involving life threatening or terminal illnesses

Members should realise that attendance at the convalescence/respite lodges during popular or School holiday periods will be strictly limited and unlikely to be repeated

Only one School holiday period will be allowed in any one year

Convalescence/Respite breaks are not able to be accommodated on a regular basis for holidays it should be an immediate need for convalescence/respite and can only be booked four weeks in advance
