### **Nationwide.**

On the day, volunteers from the **Prison & Police Museum** will be joining us at St Andrews talking about the history of policing, with handling boxes with truncheons, hats & more for people to see & try on!

Ann and her **Leonberger Therapy Dogs** will also be joining us at St. Andrews. They visit the Centre once a week for a couple of hours and offer comfort, happiness and emotional wellbeing to the patients. Many patients staying at the Centres are dog owners themselves, or even work with dogs, and while away from home or work will be missing their canine companions. As a result they very much enjoy this opportunity to interact, spend some time with, and talk to these very friendly and gorgeous dogs.
