

Members invite Police Officer Serving and Retired Holiday Lets in Spain

I extend an invite to your membership, to join the following closed group on Facebook:

<https://www.facebook.com/groups/2069092906661547/>

Police staff are equally welcome to join us!

The purpose is to link serving and ex serving owners of holiday rental property in Spain, to those looking to find such accommodation. It's free to join.

The site took on 1.4k members in its first week of launch and I am trying to get the word out nationally with support from respective federation branches.

Your support is much appreciated. Thank you.

Kind regards,

Dave Hall

(ex West Yorks Police and North Yorks Police)
