

The Police Treatment Centres

A charity providing treatment, support & recuperation for injured and ill police officers.

We continue to welcome Retired Officers for treatment at our centres, both of which have significantly improved over the last two years and the standard and quality of the treatment and facilities are better than ever.

If you spent the majority of your police service in one of the PTC constituent forces you are eligible to become a PTC donor and beneficiary, so please sign up by direct debit for only £0.65 per week, to take advantage of our class-leading facilities.
